

DON'T BE A WIMP

Words & Music by Glenda H. Davis, 2002

***Don't be a wimp in the Word;
Be strong in His pow-er;
Don't be a wimp in the Word;
Stand firm like a tow-er;
We may not be much in the sight of man,
But with God on our side, we can say, "I can!"
Don't be a wimp ___ in the Word of God. ___***

The dev-il's lie is that the Bi-ble is full of bor-ing his-to-ry--
He wants us to think it has no ap-pli-ca-tion for you and me;
'Cause when he sees the saints of God feast-ing on the Truth,
He knows we're armed for bat-tle, and it's hard-er to make us goof.

Don't be a wimp in the Word...

Don-nie's stud-y-ing ju-do and ka-ra-te with all his might;
Ap-par-ent-ly he thinks to be a real man, he must fight;
But Da-vid and Go-li-ath proved it does-n't mat-ter at all--
If God's not in the fight with him, the might-y man will fall.

Don't be a wimp in the Word...

Lit-tle Gran-ny may not weigh but nine-ty pounds when soak-ing wet,
But in spir-i-tual war-fare she's the great-est war-rior I've ev-er met;
'Cause Gran-ny knows the Word of God and wields it like a sword,
And Gran-ny's not a cow-ard in the pow-er of the Lord!
