

## **O Taste and See**

Words & Music by Glenda H. Davis, MD

O taste and see that the Lord is good,  
Sweet manna to my soul!  
He is everything that I need today  
To be completely whole!

O taste and see that the Lord is good,  
Sweet manna to my soul!  
He is everything that I need today  
To be completely whole!

O taste and see that the Lord is good,  
Sweet manna to my soul!  
He is everything that I need today  
To be completely whole!

O taste and see that the Lord is good,  
Sweet manna to my soul!  
He is everything that I need today  
To be completely whole!  
Everything that I need today  
To be completely whole!
